

Exhibit 50. AFFIRM Association for Federal Enterprise Risk management

<https://www.aferm.org/#>

*AFFIRM is a professional organization dedicated to the advancement of (USA) federal **Enterprise Risk Management (ERM)**. The Association serves its members by providing a forum for discussion of issues relevant to participants in the federal risk management profession, sponsoring appropriate educational programs, encouraging professional development, influencing governmental risk management policies and practices, and serving as an advocate for the profession. The Association serves government officials **and the public** by sponsoring efforts to ensure full and fair accountability for management of risk in achieving organizational objectives.*

*Its values consist of **Integrity, Professionalism, Teamwork and Engagement.***

Extract:

Government agencies are under **increasing pressure to perform their missions more efficiently and effectively**, while the types of challenges facing government are becoming more complex. **Enterprise Risk Management (ERM) improves an organization's ability to identify risks** and establish appropriate responses, reducing surprises, and increasing the likelihood of mission success. The Association for Federal Enterprise Risk Management (AFERM) helps agency leaders, managers and employees by **providing a wide range of tools, resources, forums, and solutions to become effective risk managers.**
